**Emergency Contacts:**

*These are very important to us. If your child becomes ill during the day, we need to be able to contact you or someone acting for you, who is able to collect your child. Please give two emergency contact numbers. We suggest the telephone numbers of any place of work, and one other emergency contact, perhaps a grandparent if they live close by. If you have no relatives in the area, then ask a friend or neighbour or child minder if they would be willing to act as an emergency contact. Very occasionally, a child needs urgent medical treatment and then it is essential that we, or the hospital, are able to get in touch with you. It would also help if you indicate any medical conditions your child has which you feel the school should be aware of.*
